So...The March 29 thing. I just re-read the email and it's not clear whether it's Bristol Bay related or something different. The attachments were stripped. If you need me to attend, could you send the attachments and let me know what time to block off? If it's not BB related, that would also be important to know, and somebody else may be more appropriate.

Palmer -- I think the Bristol Bay one will suffice for you. In one of the emails on this, the OA asked for women from the offices to participate in the Outdoor Women's event. Kid you not. Jim

Thanks Travis!

All,

Please see the attached for the upcoming events. The Women in the Outdoors roundtable event is the priority as it's next week. The Bristol Bay sportsmen event is still pending.

Subject: EPA roundtable on sportsmen concerns/Pebble mine

Scott -

Thank you for taking the time to catch up on Friday - it is much appreciated. I would like to introduce you to Mr. Nastri who will be helping with this as we move forward - as I said on the phone Wayne knows the ins and outs of EPA very well and should be a valuable asset should you need his assistance.

I have attached a number of documents - all of which are in draft form. We will get you the formal meeting request that we had planned to use for Administrator Jackson this evening.

Schedule for our trip to DC:

Monday April 16: Meetings all day on the hill and with agency officials. This would be the best day for us for the round table.  
Tuesday April 17: Meetings all day on the hill and with agency officials  
Tuesday April 17: Reception in the US Senate - see below

Attached:

- 1) Draft participant bios
- 2) Draft invite to a reception we are hosting in the Senate Tuesday evening

Very best -

Shoren Brown | Bristol Bay Campaign Director

Scott

I have copied the Wetlands team in OWOW who can see about staffing both of those opportunities with key stakeholders.

Hey Travis!

Who is the key EPA person for a wetlands discussion with outdoor sportsmen? I need someone to support Janet McCabe during a stakeholder roundtable on Mar 29th. It's with women leaders in the outdoors, so perhaps someone female would be best.

Also, I have a group of sportsmen requesting a meeting with the Administrator on April 16 regarding Bristol Bay/Pebble Mine. They've met with Dennis McLerran and Bob S. several times and working with Wayne Nastri (former R9 RA). They seem to all be in agreement that this should be brought to the Administrator's attention during their April sportsmen conference in DC. Will need a strong team of EPA wetlands folks involved as well.

Thank amigo,

Scott W. Fraser
